Wired Multimedia Desktop Combo

GMK-1005M

The **GMK-1005M Multimedia Desktop Combo** is the perfect duo that delivers all the comfort and functionality needed for a high volume day-to-day usage. Equipped with an adjustable stand to prop your keyboard up and an ambidextrous mouse design, this combo leaves nobody out when it comes to usability.

- 10-key number pad
- Caps lock indicator light
- Number lock indicator light
- Optical tracking
- Scroll wheel

Key Features

Multimedia keys

12 full multimedia shortcuts to let you immediately access common applications and boost efficiency in your workflow.

Adjustable keyboard stand

Prop up the keyboard with the built-in stands to your preferred typing posture for less strain and a more productive typing session.

Spill-resistant

Enforced protection against accidental spills to ensure prolonged usage and peace of mind while you work or play.

Plug and play

Plug your keyboard and mouse into USB ports, and it's all ready to go - no installation or extra fuss required.

Ambidextrous design (Mouse)

Contoured and symmetrical architecture that is specially crafted to suit both left and right-handed users.

Responsive Tracking (Mouse)

Accurate cursor tracking that reacts quickly to your navigation.
